

UT SOUTHWESTERN MEDICAL CENTER

Neurophthalmology/Orbit/Plastics Faculty Position

The Department of Ophthalmology at UT Southwestern Medical Center announces an opening for an Assistant Professor, Associate Professor, or Professor. We seek an outstanding individual with an MD degree who is ABO boarded or board eligible in ophthalmology with at least one year of fellowship training in neurophthalmology/orbit/plastics. Must have demonstrated skills in the area of neurophthalmology/orbit/plastics. Duties will include sharing in the responsibility for didactic and clinical training of residents, fellows, and practicing ophthalmologists in neurophthalmology/orbit/plastics clinical care to patients at UT Southwestern Medical Center.

UT Southwestern Medical Center ranks among the top academic medical centers in the world. Our distinguished faculty includes active Nobel Prize winners. Nearly 4,200 medical, graduate and allied health students, residents and postdoctoral fellows are trained each year. Our physicians provide care to patients at UT Southwestern University Hospitals and Clinics, Children's Medical Center of Dallas and two other affiliated hospitals.

The Dallas area boasts a low cost of living with diverse neighborhoods and great schools. The area has world class quality of life options, with more than 175 museums and art galleries, premier performance halls, numerous parks, lakes, golf courses and seven professional sport franchises.

Interested applicants should submit *curriculum vitae* and a letter of interest addressed to: James P. McCulley, M.D., Professor and Chairman, Department of Ophthalmology, University of Texas Southwestern Medical Center.

For Consideration Send CV to Kate Rader, Manager - Recruitment Coordination Services
