

Department of Ophthalmology
Beckman Vision Center

January 25, 2010

Joel S. Schuman, MD
UPMC Eye Center
Department of Ophthalmology
203 Lothrop Street, Ste 816
Pittsburgh, PA 15213

Dear Dr. Schuman,

I would like to inform you of a faculty position that we have available at the University of California, San Francisco (UCSF), the San Francisco General Hospital (SFGH), and the San Francisco Veteran's Affairs Medical Center. This faculty member will be the Director of Comprehensive Ophthalmology at the SFGH and have a major role in the clinical and surgical training of the residents. IN addition, the candidate will be the Assistant Director of the Ophthalmic Pathology Laboratory at UCSF.

My colleagues at UCSF and I would greatly appreciate your help with our recruitment efforts. Please post and share the attached information with appropriate individuals including your Residency/Fellowship Directors. We are considering candidates at the Assistant and Associate rank. An announcement has appeared in the January 2010 issue of *Ophthalmology*.

Please feel free to contact me if you have any questions. You may also contact Thelma de Souza by phone (415-502-1127) or email: (desouzat@vision.ucsf.edu). Bennie Jeng, MD, Chief of Ophthalmology at the San Francisco General Hospital is the Search Committee Chair.

Thank you very much for your help.

Sincerely,

A handwritten signature in dark ink, appearing to read 'SDM'.

Stephen D. McLeod, MD
Theresa M. and Wayne M. Caygill, MD Endowed Chair
Professor and Chairman, Ophthalmology
Director Beckman Vision Center

**Faculty Position– San Francisco General Hospital
Faculty Position– Department of Ophthalmology, UCSF**

UCSF and SFGH seek an Ophthalmologist for a faculty position as Director of the Comprehensive Ophthalmology Service at SFGH and also as Assistant Director of Ophthalmic Pathology at UCSF. The faculty member will be responsible for resident, medical student, and fellowship clinical and surgical training at both institutions. Development of successful programs in clinical care, teaching, and research is expected.

Requires: CA MD Licensure or eligibility and Board Certification (ABO) or eligibility. Must have a distinguished record of excellence in clinical care, surgery, teaching, and research. Exceptional anterior segment surgical teaching skills and ophthalmic pathology training and experience are preferred.

Please send letter, CV, and a list of three or more references to be received by February 14, 2010 to:
