Dear Dr. Waxman:

We are a busy five physician ophthalmology practice in Central Ohio with two beautiful state of the art offices. We are currently looking to fill a fulltime Oculoplastic position. This position also provides the opportunity to continue the surgeon's skills with some general ophthalmology. Our office environment is one of continued growth and learning. We have a surgery center specific to eyes only, contemporary optical shops in both locations and we are poised for growth.

We are seeking a board eligible/certified ophthalmologist who is hardworking, compassionate and progressive. Area of expertise should be Oculoplastics and general ophthalmology. Our practice has continued to thrive based on its exceptional medical and surgical reputation and we are looking for someone that has the same abilities and drive to join our group.

Applicants should send a letter of interest, curriculum vita and names and addresses of three professional references to Ramona Penland, CMPE at rpenland@coavision.com or by mail to Attn: Ramona Penland, CMPE, Columbus Ophthalmology Associates, LLC, 5155 Bradenton Avenue #200, Dublin, Ohio, 43017.

Sincerely,

Ramona C. Penland-Coyle, CMPE
