Presby ER Call: Overnight and Weekend ER/Consult Call begins on July 1
 Each 1st yr resident will work with a senior resident from July 1 to Aug 31
 Call switches are permitted, but must be sent to Jonathan Abinader (abinaderjp@upmc.edu)

VA Call: VA call is split between the 3rd yr residents (2 residents; one week each) and the 2nd yr resident (1 resident; two weeks) on the service

Pagers: Every resident will be required to carry a personal pager every day except scheduled vacation days
 The 1st yr resident on the consult service will carry the consult pager (x7359) and ER pager (x3921) until signout
 The 2nd yr on peds coverage will forward the peds pager (x4291) to their personal pager
 The 2nd yr on peds call will also cover Mercy if an EEI attending is covering that hospital. No extra pager required
 Each 3rd yr resident will carry a pager for their service when appropriate

Vacation: Vacation requests need to be submitted at least 6 weeks in advance, except for vacation at the VA, where they are required at least **3 months in advance**
 No allowed vacation from July 1 to July 31
 Vacation requests for June 15-30 cannot be made until call schedule is completed for that period
 No allowed vacation 2 weeks prior to OKAP examination
 Maximum 5 days off per 4-week rotation

Consult/ER Coverage: On days when the Consult/ER resident is post-call, the service will be covered by the first available resident according to the table below:
